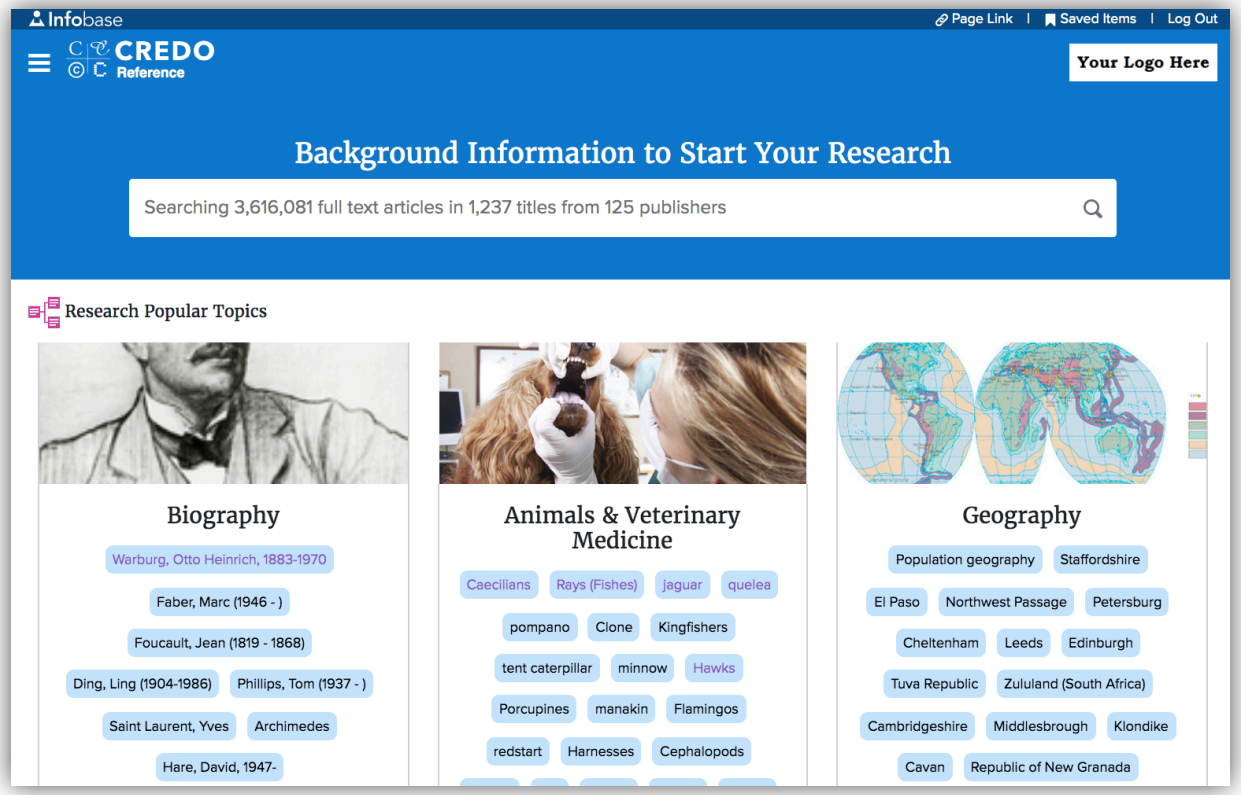
CREDO

Credo Reference

What is Credo Reference?



A research starting point that brings together both the best in citable reference content and technology that enables inclusion of your library's non-Credo e-resource content.

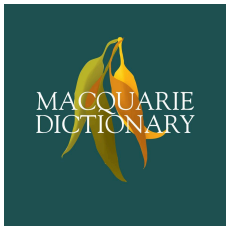
Credo Reference Content

- 700+ Full-Text Reference E-Books
- 100+ Publishers covering 47 Subject Areas
- 450,000+ Images
- All with full citations

Some of our 100+ Publishers

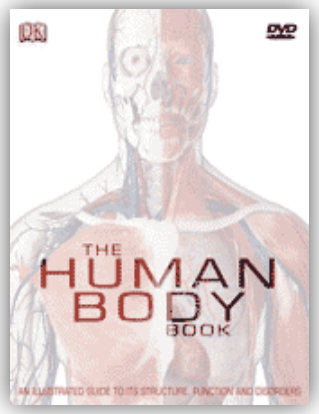
Multi-Publisher Content

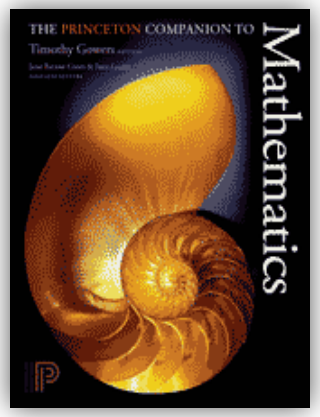
Your Credo title list is made up of reference e-books from these trusted publishers and many more

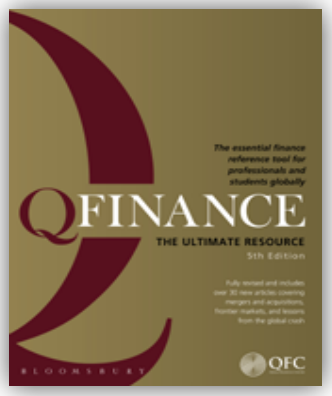


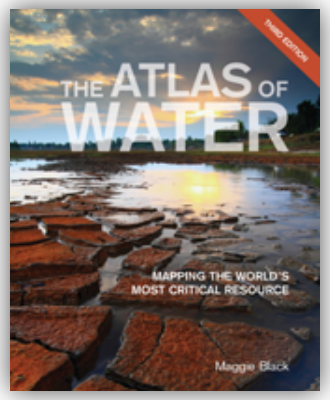
Foundational General Reference Content

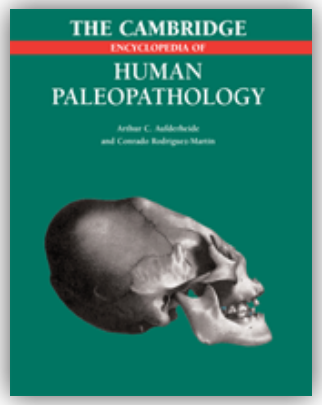
Core Collection content offers coverage in 47 subject areas for a true general reference experience. Full text content includes images and citations for every article.

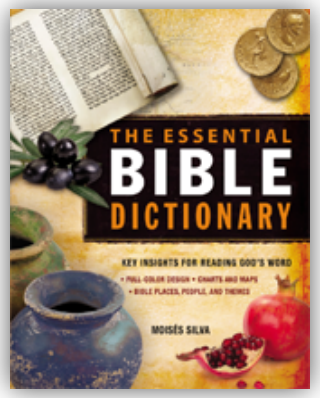








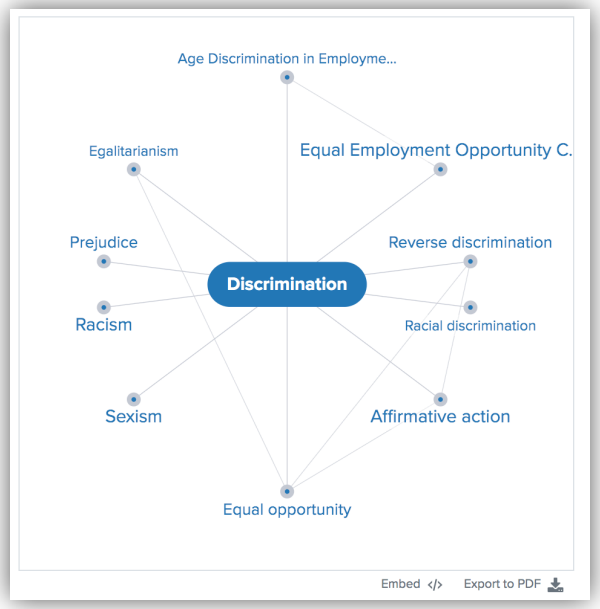




Platform Features & Tools

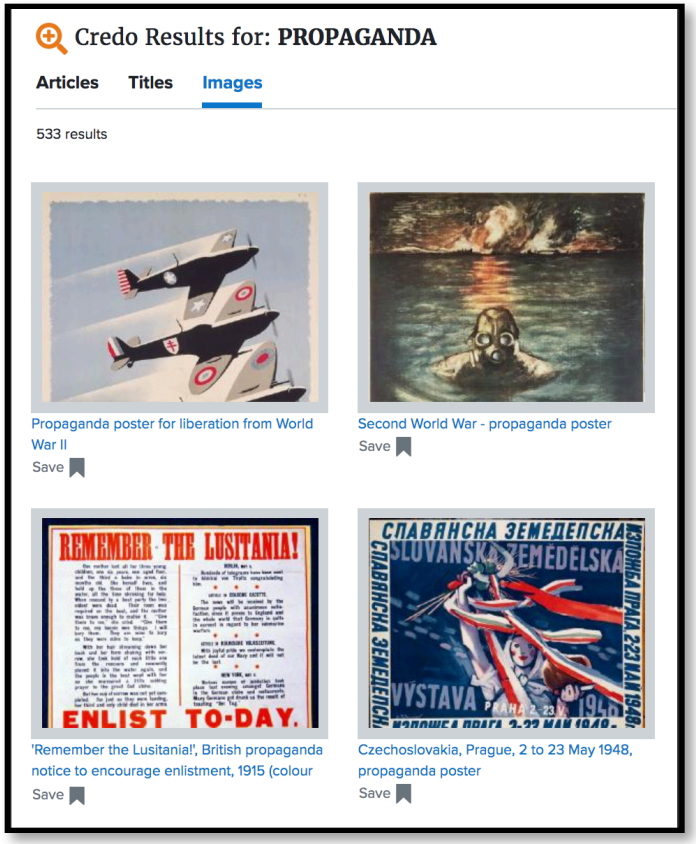
- Concept Mapping Interface
- Image Filter
- Customizable Bookshelf
- Federated Searching & Resource Linking
- Sharing, Linking & Embedding tools

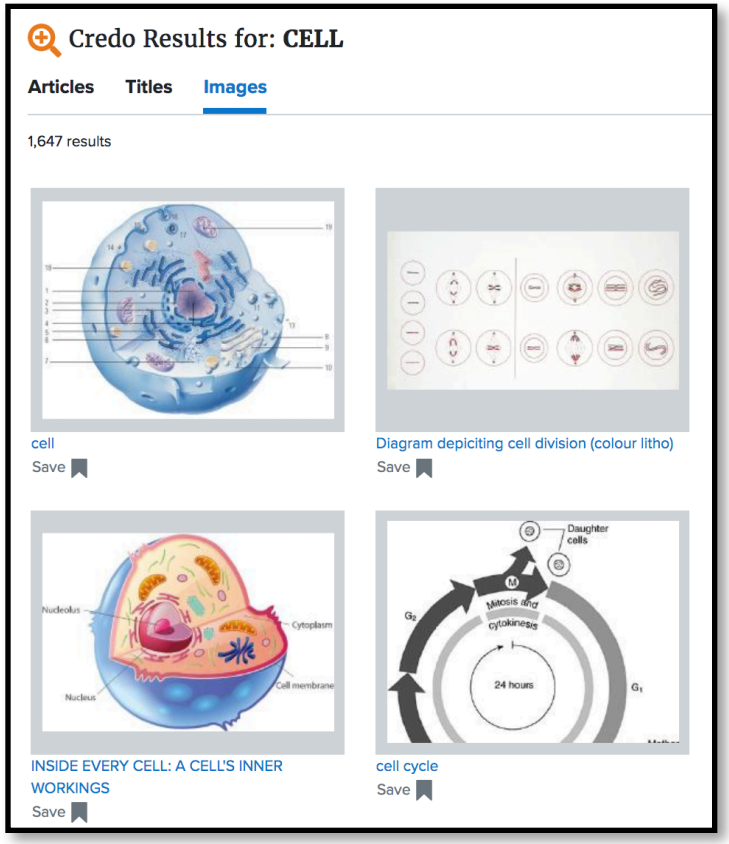
Concept Mapping



Credo Reference maps related concepts to your search results. Explore & discover related keywords with one click

Image Search

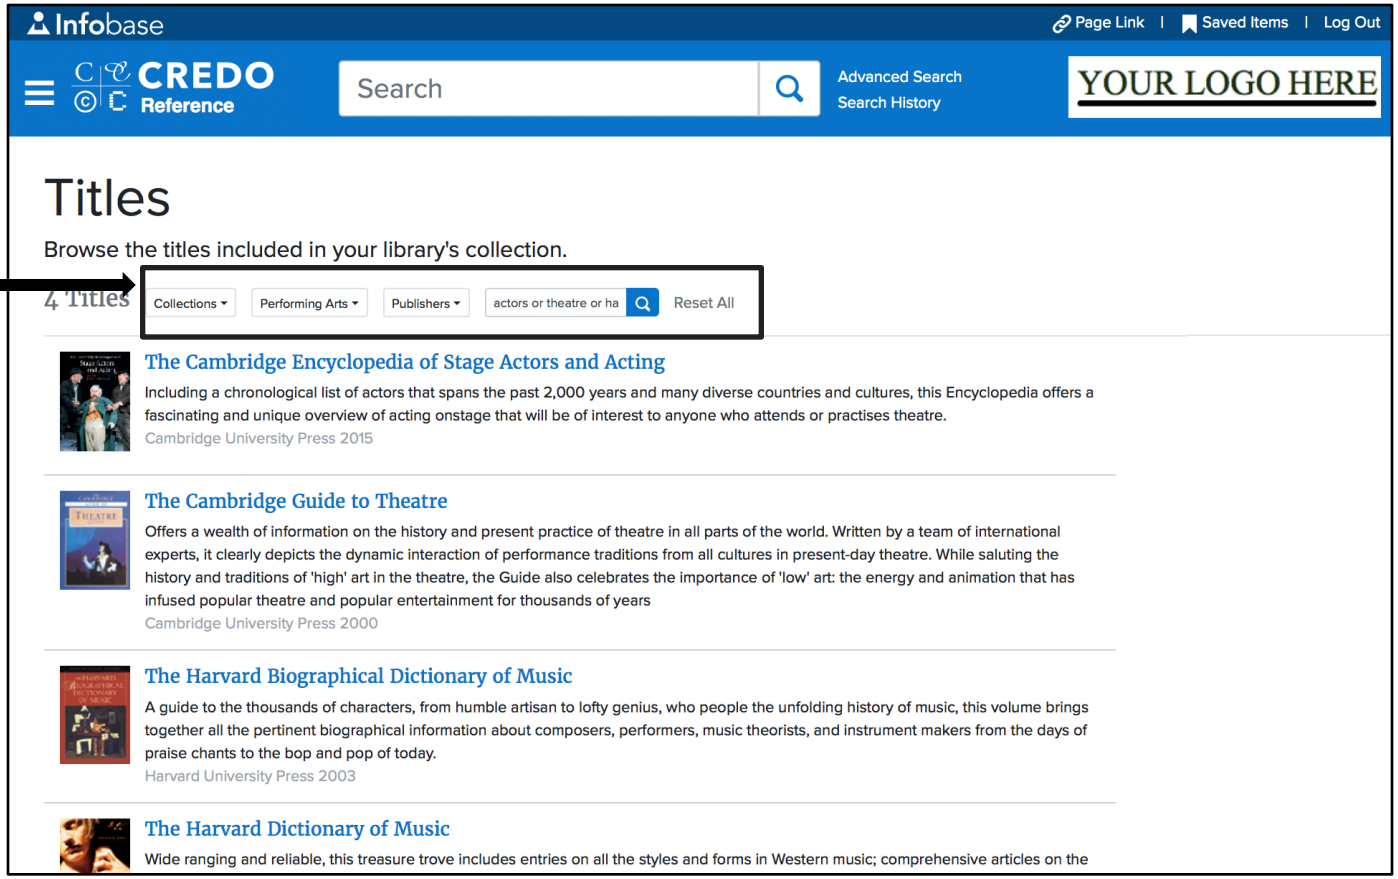




Search over 400,000 images on any topic and use them for research

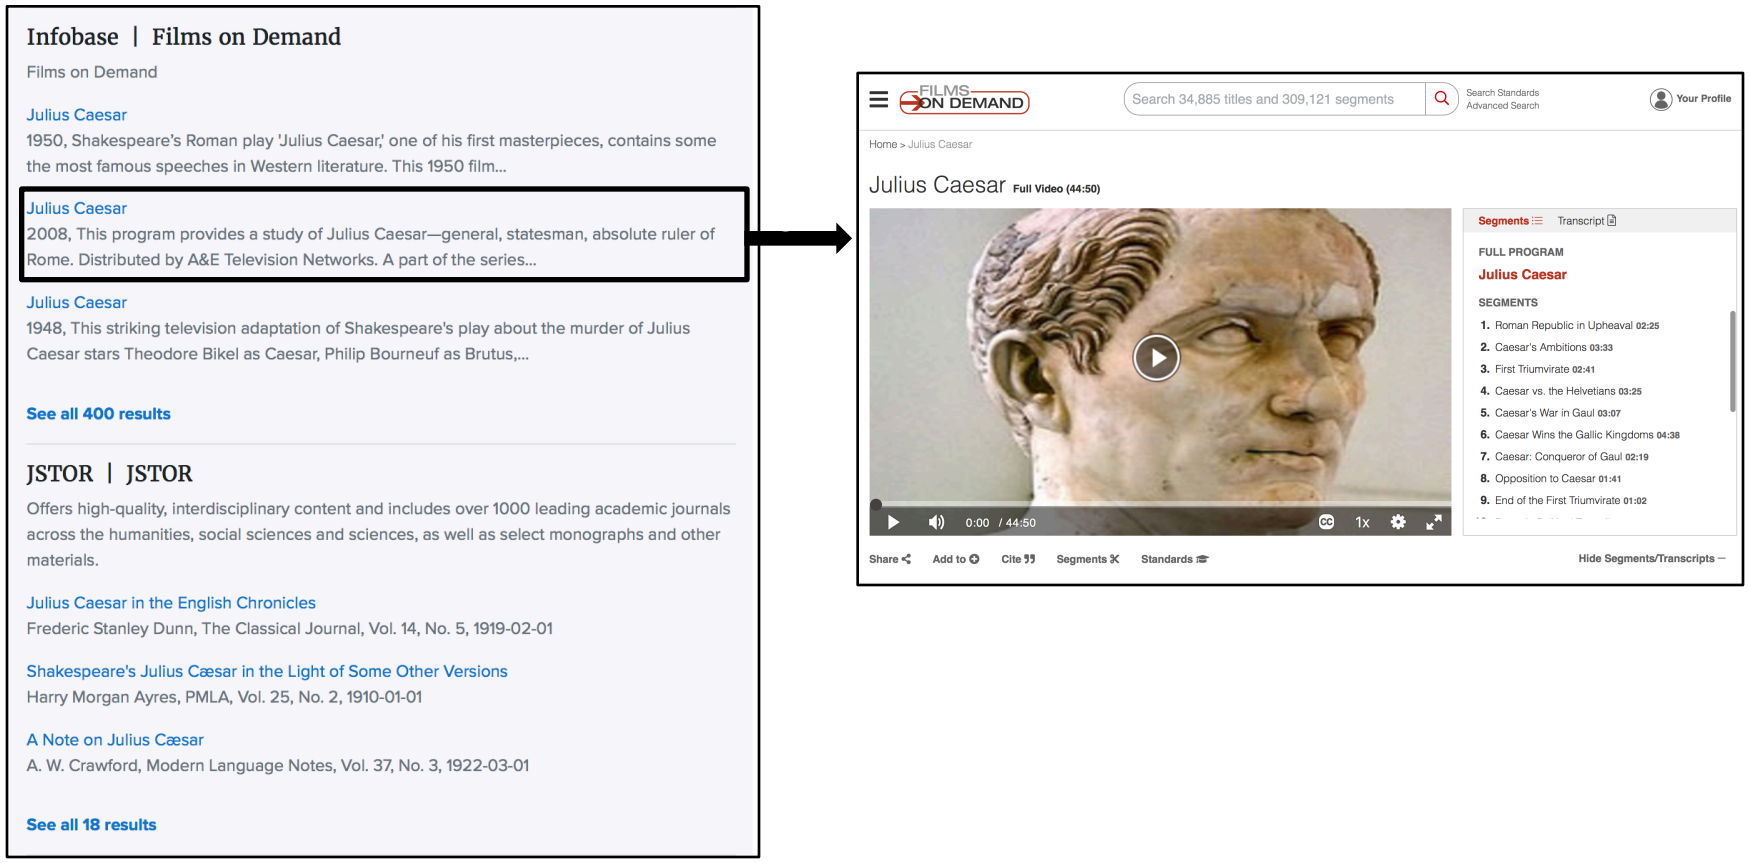
Bookshelf

Filter your title view by subject, collection or publisher name



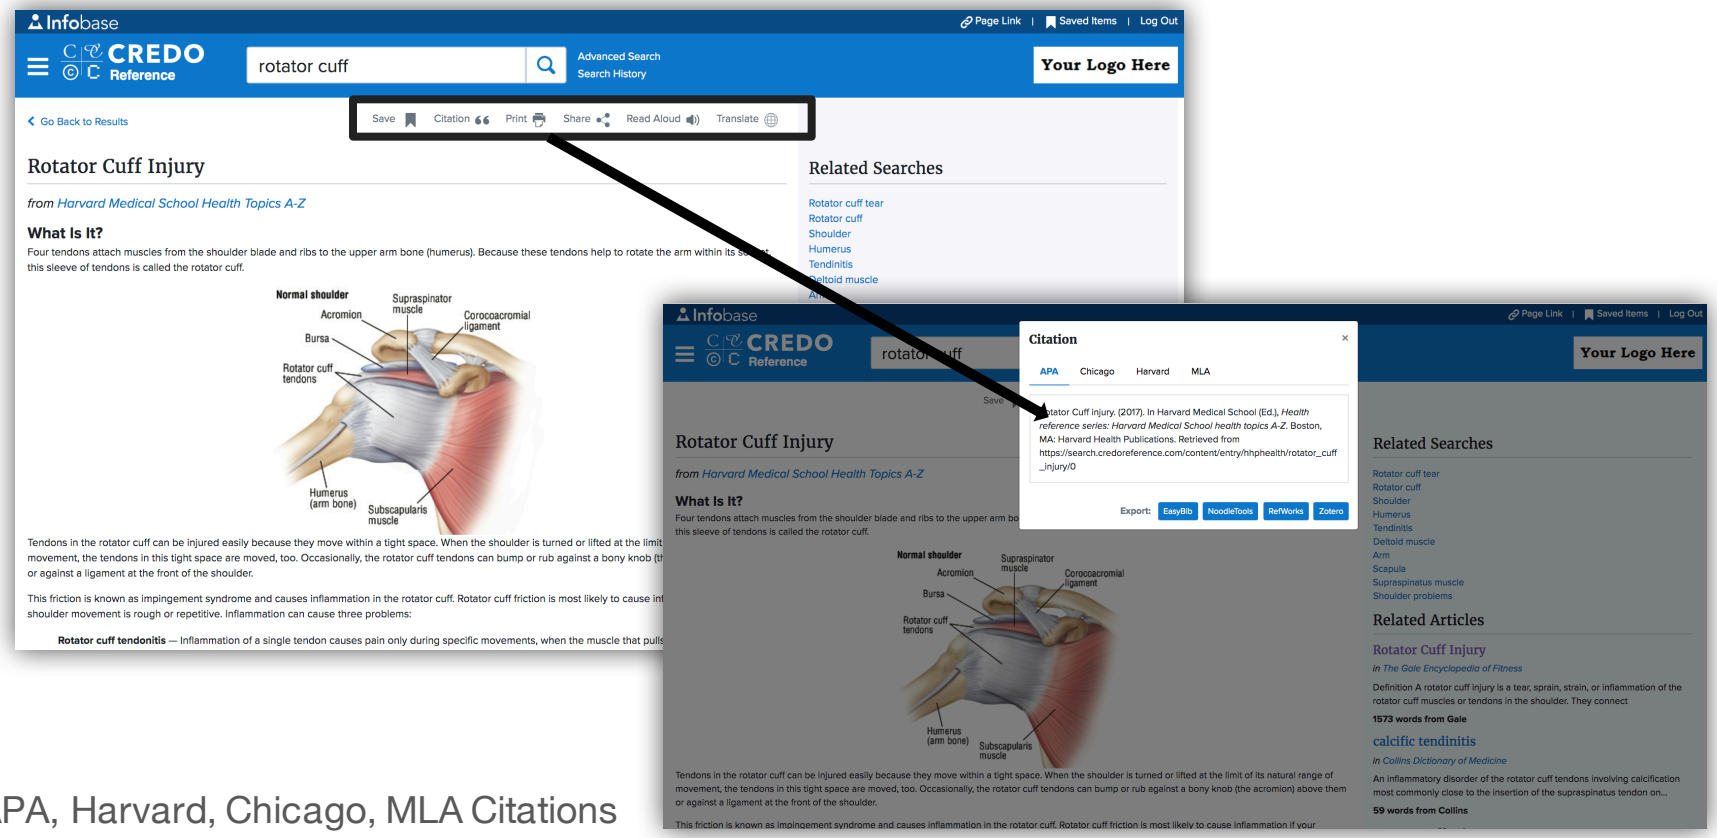
Treat Credo like a bookshelf and read, link to or search individual titles.

Aid the discovery of next step databases



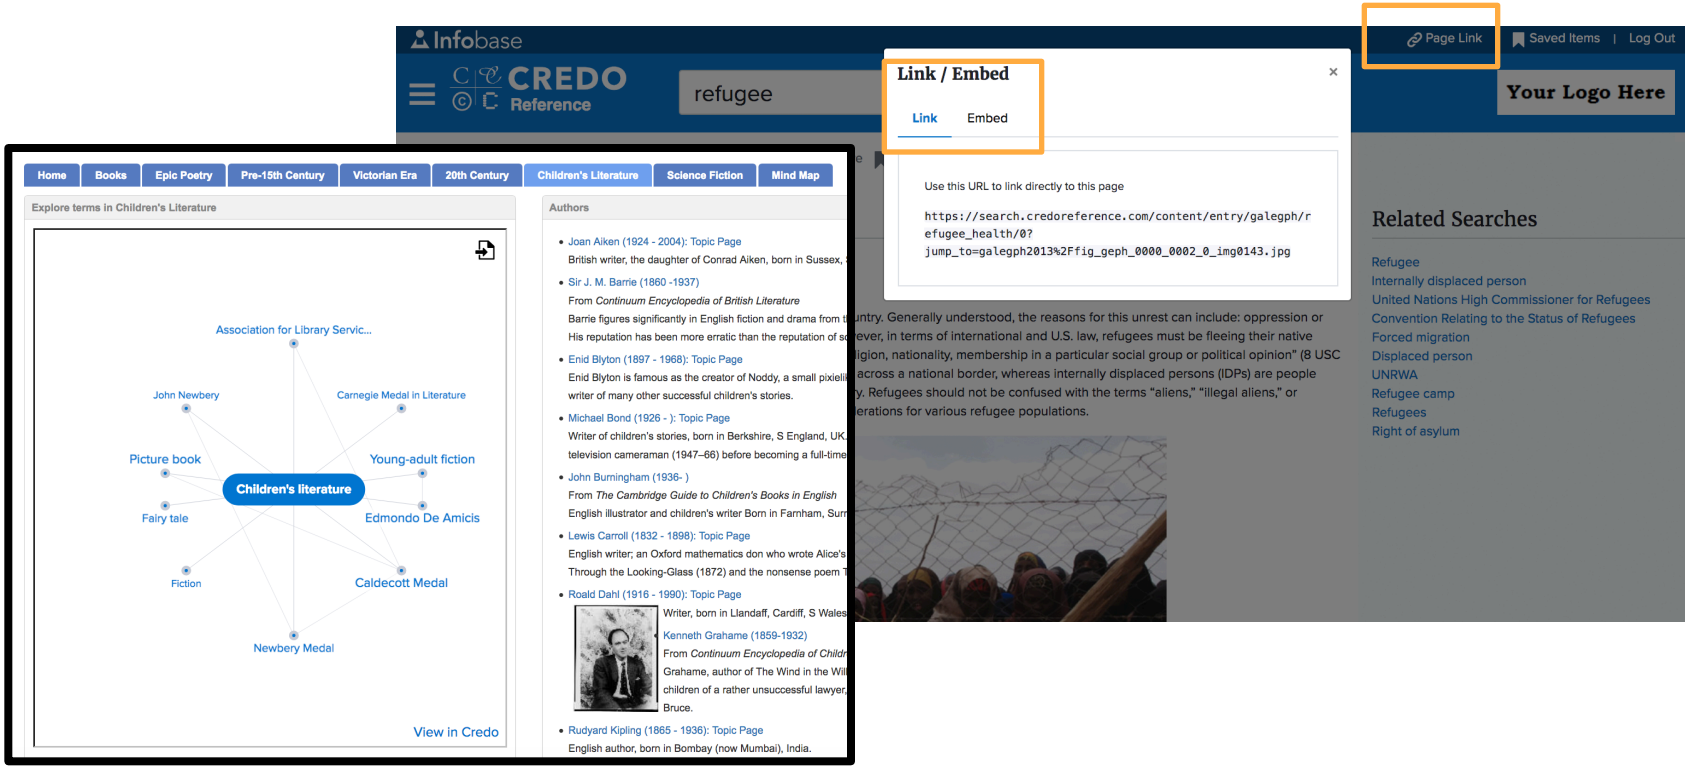
Allow pathways to your library's other trusted resources

Translation, Saving, Sharing & Downloading



APA, Harvard, Chicago, MLA Citations
Email, Print to PDF
Export to Google Drive
Export to RefWorks, NoodleTools, EasyBib & Zotero

Linking and Embedding



Find a permalink and embed code on every entry and mind map.
Embed content into any LMS or LibGuide

Thank you!
